

Sponsor a Student Help Make the Smiles Happen!

Since its beginning in 2010, Horse Power Healing Center (HPHC) has never turned a student away because of their inability to pay for lessons. However, an ongoing challenge is to maintain the scholarship funds to meet the increasing need of the HPHC students.

We invite you, your group or business to sponsor a student at Horse Power Healing Center. Sponsors can include individuals, families, corporations or organizations. Sponsorship may also be in memory of a certain person or animal.

At Horse Power Healing Center we offer our services to individuals, who are physically, mentally, or emotionally challenged, for persons with diagnoses such as Traumatic Brain Injury, Stroke, Depression, Multiple Sclerosis, Cerebral Palsy, Down Syndrome and Autism. We provide lessons for children and adults, ages three-years-old and up. We also offer services for Veterans and Seniors.

HPHC Therapeutic lessons - Are organized by type of disability, age, and level of horse skills. Classes may be one-on-one or no more than three riders. The goal of therapeutic riding is to teach the student to ride as independently as possible.

Horse for Heroes program- HPHC believes that each veteran has more than paid their dues by their service in the military protecting America's freedom and HPHC offers the "Horses for Heroes" group programs free of charge.

Heal, Grow, and Hope through the power of Horses.
